

24-7 STAFFING

Quality Policy Statement

24-7 Staffing was formed in 2004 in Chippenham, Wiltshire, as an independently owned and managed recruitment business, with continued growth ever since. Rapid expansion has led to two further branches being added in Amesbury, Wiltshire as well as Yate in Bristol. Perfectly Placed People is not only the company strapline, but how we do our business. By ensuring we understand our clients and candidates, we can provide the highest level of service to both, maintaining our client base and keeping up to date with all candidates.

24-7 Staffing deals with temporary, contractual and permanent vacancies, from entry level positions up to Director level. Working primarily with clientele situated near our offices provides us with fantastic knowledge of the area and a bank of the best local candidates for any recruitment needs. We have specialist consultants, with many years of experience within the Driving, Healthcare, Industrial, and Commercial sectors. We offer both temporary and permanent recruitment solutions in all these areas to fulfil any vacancies that arise. By utilising this experience, the various recruitment tools and the very best local talent, we aim to ensure we add real benefit to your business and become your first call supplier.

Legislation, compliance and improving industry standards is high on the agenda here at 24-7 Staffing. This is reflected by our corporate membership with the Recruitment & Employment Confederation (REC) keeping us at the forefront of any changes in legislation ensure we are fully compliant in all areas. Our ISO 9001 accreditation certifies a Quality Management System is embedded in our business practices ensuring our services meet our customers' needs.

With all these elements, we aim to be the Number 1 recruitment Agency in our specialist fields within the local area, and the first port of call for any recruitment need.
